Peanut/Tree Nut Allergy Product Information

At this time based on manufacturer information on file, the following items offered through the district meals program contain peanuts and/or tree nuts.

- Peanut Butter & Jelly Sandwich
- Oat Nut Bread (contains hazelnuts)
- Potato Bun or Potato Roll (may contain tree nuts)
- Breakfast Bar (The Ultimate Breakfast Round)
- Honey & Oat Granola Bar
- Sunflower Seeds (used with MS/HS Veggie Salad)

NOTE: Oroweat Whole Wheat Bread is manufactured on shared equipment used to manufacture products containing tree nuts (walnuts, hazelnuts and almonds). Per the manufacturer, "We are a peanut free facility. We do use tree nuts (walnuts, hazelnuts and almonds). We do allergen clean ups after any variety containing allergens including tree nuts. No nuts are used in this variety and allergen clean up is done if any allergen is used in any variety produced before the whole wheat."

Always read the labels of products used to check that they do not contain peanuts and/or tree nuts. Manufacturers may have made changes and notifications have not arrived or a substituted product may be used. Contact the assigned Food Services Department Dietitian or designee if you have any questions regarding the product brand provided.

Due to the fact that many items served are NOT nut-free, all staff should assume that an item does include peanut and tree nut products or may have been in contact with products that contain peanuts or tree nuts. Any child identified to TUSD Food Services as allergic to peanuts and/or tree nuts will be accommodated individually.
