Kim MacAllister
Diane Holzman
Arlene Stamp
Gary Fowler
Christy Canovas

Members Absent:

Terri Gervais
Larry Berry

Members Absent:

Kim Bachenheimer
Michelle Ward
Lorrie Baker
Brianna Woolen

Minutes:

1) Minutes: Minutes from 2-18-10 were approved with amendments.

2) Discussion Items:

- **Merger Proposal-** Sub-committees met separately to discuss their areas of the proposal.
- **Committee Updates-**
 - The Transition Committee shared some of their ideas. Ideas included a spaghetti dinner and music night on April 8th, a field day at Henry on March 17th, visit Henry for a school day on April 28th and a combined water day on May 7th.
 - The Moving/Building Committee shared ideas for Capital Improvements. There is a possibility that we could use Wrightstown's Bond Money for improvements. Other improvement ideas included: Parking improvements, additional classrooms, storage, better heating/cooling, a Green Initiative (solar power, water harvesting and garden), additional ramadas, playground equipment, outdoor restrooms, a courtyard, extending sidewalks, and an outdoor amphitheater. It was also suggested that we add on a multi-purpose room or add on to the cafeteria. We will be getting 5 new Prometheans at Henry. Another idea was hiring teachers to help pack up Wrightstown as a summer position.

3) Principal Report-

The superintendent called a special budget meeting today and they are expecting a 10% budget reduction. We will probably need tax credit money to help support full day kindergarten. We are getting huge "props" for taking the risk to merge. Schools around us will be taking huge cuts and we may have a lot of students who want to transfer here. Our staffs will start meeting about budget allocations next week.

4) Future Joint Meetings: Monday, March 1 @ Wrightstown
 Wednesday, March 3 @ Henry

Meeting adjourned at 6:08 p.m.
