

Bens' Bells Kindness Tree

Create a large tree or garden on a poster and hang it on a door or wall. (We have actual trees for each Pod). Have students find a student that has done something kind, describe the act of kindness on the flower shape and add it to the tree so that others see the kindness spread.

Another suggestion:

K is for Kindness

Students write an acrostic poem using the letters K-I-N-D-N-E-S-S as a starting point. Younger students can draw pictures and older students can write essays.
