

Walk-Bike-Bus-Carpool To Banks on Monday, 10/3/2011

*We are Celebrating International Walk to School Day a few days early
to coordinate with Drexel Heights Fire Department "Safety Hop"*

- Volunteers will be on hand near the corner of Leadflower and Bopp to escort our Bobcats to school on foot or on bikes starting at 8 AM. Each Walker or Biker will get a raffle ticket here. Drop your child off to be part of the event!
- A volunteer will be at the drop off area in front of school to give a raffle ticket to any child who is part of a carpool to Banks on that morning.
- Bus riders will get a raffle ticket as they get off their morning bus.

Banks is a SAFE ROUTES TO SCHOOL campus!

We believe and have committed to the ideal that walking, biking, carpooling and taking the bus to school cuts down on pollution and consumption of fossil fuels.

Prizes for all walkers – bikers –
bus riders – carpoolers ! Great
raffle for 2 cool bikes!

If you ride a bike, please wear a helmet. If you are
leaving your bike at school, bring a lock and chain.
Have a way to be picked up after school!
