

# Starting January 3, 2012

## New Parent Pickup, Day Care Vans and Bus Locations

There will be a few safety transportation changes when our students return back to school on January 3<sup>rd</sup>. TUSD school safety has spent many hours at our school both before the start of school and at dismissal time to observe the congestion that we are having at parent pick up, buses and vans. Due to the potential safety hazards that they have seen, we will be making the following changes on January 3<sup>rd</sup>:

- ❖ **Buses will drop off and pick up students in the parking area outside the restaurant.** Students who ride the bus will come to the restaurant at dismissal and will be escorted to the bus by teachers. Buses will no longer drop off or pick up on Adams.
- ❖ **Vans will drop off and pick up their students on Bentley Ave. (Purple Playground)**
- ❖ **Parent Pick-Up will move to Adams Street. Pick up will be along the north curb of Adams.** Students will be dismissed at the corner gate of Bentley and Adams.
- ❖ **The cross-walk will be changed to the intersection of Bentley and Adams.**
- ❖ **The parking lot on the west side of the school where the buses will be entering will not be accessible to parent pick up. We ask that all parents pick up their children on Adams.**

Thank you in advance for your patience and understanding as we make this change. Change is sometimes difficult, however for the safety of our students we are needing to make this change.
