October 2010

Principal's Letter

Dear Families of Brichta Students,

The leaves have begun to change color and there is a definite chill to the early morning air. It's hard to believe that the end of the first quarter has come so quickly!

Already this year, we have accomplished quite a bit, thanks to the combined efforts of teachers and families working together on behalf of students. One area of growth has been in the reading progress of students. As Rhonda Smith and I administer the progress monitoring tests to students, we can tell that teachers have been addressing skills and that parents have been helping students to set aside time to practice these skills at home. Thank you. Research has shown that the rate at which a student can read a passage (oral reading fluency) has a direct correlation (in almost all instances) to their overall reading ability. By having a student practice reading fluently, we are encouraging them to "train their brain" to recognize and read words that they know with ease. Our 21st CCLC classes are in full swing. It is such great fun to see students working in the garden or learning the first steps of a folklorico dance.

The Cross Country team has also gotten off to a "running start". These students continue to make us proud on and off the field.

We do want to send out a small request from the office: Please refrain from checking your child out during the last ten minutes of class if at all possible. Just as a student's late arrival to class disrupts the learning process for that student and the rest of the class, a student leaving early has the same impact. Students who are pulled during this time miss out on instruction as well as directions for homework and socialization time with their friends that may not happen during more structured times of the day. In addition, if a teacher has to stop to quickly explain an assignment to one student rather than the whole class, learning time is lost for the large group. Thanks for considering this before pulling your child out early.

This Friday there are no classes. Teachers will be discussing student progress with their colleagues, reflecting on how to continue to differentiate instruction during the next quarter as a result of this progress and preparing progress reports. These progress reports will go home on Tuesday, October 19th. If you have any

questions once you receive your child's report, please don't hesitate to call your child's teacher.

Sincerely,
Sabrina Cruz, Principal
Sabrina.Cruz@tusd1.org

We're happy you are here!

Our campus is a closed campus. All visitors to Brichta **MUST** sign in at the office and wear a "Visitor" or "Volunteer" badge. No one is allowed to enter in through any door but the front door. This is a TUSD Governing Board Policy and is meant to ensure the safety of our students. We appreciate your cooperation!

Brichta Calendar of Events

Fri. 10/15	No School-Grading Day
Mon. 10/18	Cross Country Location TBA
Tues. 10/19	PTO Meeting 6:30 in the cafeteria
Mon. 10/25	Student Council Fundraiser ends
Sat. 11/5	5 th Grade Wright Flight Fly Day
Sat. 11/12	5 th Grade Wright Flight Fly Day

PARENT PICK-UP, VANS, BUSES

We need your help in ensuring that all of our students are safe! The following procedures have been established to keep students safe. Please model respectful behavior and good citizenship by observing these procedures.

BUSES

Buses leave 5 minutes after dismissal; please encourage your child to be prompt in getting to the bus bay. Students who miss the bus will need to be picked up by their parents or guardians.

VAN (Daycare)

Children have been instructed to go to the vans immediately after dismissal. If your child will not be riding the van on a given day, please notify the school office and the daycare provider.

PARENT PICK-UP

Parent pick-up is located at the north end of the school (circular drive near the cafeteria). We ask that all children be picked up in this area.

October 2010

The south parking lot is for daycare vans only! Please do not tell your child to meet you or wait for you in the south parking lot.

Students should be picked up by 2:25 p.m. unless they are in an after school club. You must come to the office and sign your child out if you arrive after 2:25. In order to devote our attention to students during the day, much of our paperwork and managerial duties are postponed until 2:25. Please help us to keep the school running smoothly by picking your child up on time.

Reminder- The area in front of the school is designated for school busses. Do not park your vehicles in front of the office doors between 7:30 a.m. and 8:00 a.m. or between 1:30 p.m. and 2:30 p.m. Thank you!

Javelinas! Coyotes! Dogs! A Bobcat! These are all animals that we have found roaming around on our playground in the morning. To help us keep your child safe, do not drop him/her off before 7:30 a.m. THERE IS NO SUPERVISION AVAILABLE FOR STUDENTS BEFORE 7:30 A.M.

SNACKS FOR CLASSROOM CELEBRATIONS

TUSD has established guidelines concerning snacks that can be brought to school for birthdays and other special events. This includes holidays. Please see the List of Acceptable Snack Foods in the front office or in the student handbook. If you have any questions, please call the Brichta office.

Brichta "Dress Code"

Although we do not require our students to wear uniforms, we do have a dress code. Students should not wear spaghetti straps or "muscle" shirts. Dresses and shorts should be longer than the length of the student's fingers when their arms are at their sides. For further information on our dress code, please see the Student Handbook.

FOLLOW THE 3 R'S:

Respect Yourself

Respect Others

Respect Property

From the Health Office

Thank you to everyone who participated in International Walk to School Day! We couldn't have asked for better weather! Congratulations to 5th grader Desiree Gonzales for winning the scooter that Pima County donated for this event! Everyone who walked, rode, or scootered also received a cool stackable pencil. Don't wait for Walk to School Day! Take care of your heart and walk to school more often!

Thank you,
Cristina Furtado, Health Assistant

Student Council

Student Council will be raising money for this year's projects by selling Cookie Dough! The fundraiser begins on 10/13 and ends on 10/25.

Class pictures are still available for \$8.00!

Around Our School

The Recycling Club is learning about the importance of natural resources and how we can do our part keeping solid waste out of the landfill. The students are very excited about their upcoming projects. We are reusing 'junk' to create new products. You can help by donating your empty 2 liter plastic soda bottles and pop tabs (we need lots of pop tabs). Remember to reduce, reuse, and Recycle.

October 2010

Third graders are studying Ecosystems in Science. In Mrs. Arvayo's classroom aquarium, we have observed new baby guppy fish and snails. Students worked on a "Study System" on our field and learned how organisms in our grassy sections interact. They found signs of ants interacting on a tree, a caterpillar interacting with grass, bees interacting with flowers, and evidence of rabbits on our playgrounds. They created food webs representing energy flow within ecosystems on Inspiration. They learned that the energy from the sun begins all food interactions. Mrs. Arvayo's and Mrs. Altamirano's students will attend an all day field trip to Camp Cooper on October 28th. They will observe, explore, and learn about the Sonoran Desert ecosystem.

5th Grade Wright Flight

Brichta 5th graders have been working hard to reach the goals that they set at the beginning of the school year, and Fly Days are approaching fast: November 6 or November 13.

They have been learning the history of aviation, learning **boldface** (ask a 5th grader what this is), and working towards a goal that they set in math. It is a lot of work, but if they achieve their goals, they get to actually fly an airplane!

Wright Flight History Test: October 26, 2010
Wright Flight Boldface Test: October 28, 2010

From the Family and Student Support Liaison

Hello Brichta Families!

There are parts of two articles included below. The first is another portion of the article regarding the benefits of eating together as a family. I've included the link so that you to have the opportunity to read the entire article. The second article lists one way you can promote reading at home. The original article has 8 ways to promote reading, but there is only room to include a portion of the article. I'll include more of the article in other newsletters.

The Benefits of Eating Together

The Family Who Eats Together Stays Together

-- By Becky Hand, Licensed & Registered Dietician

Reason #1: Communication and Well-Being

Conversations during the meal provide opportunities for the family to bond, plan, connect, and learn from one another. It's

a chance to share information and news of the day, as well as give extra attention to your children and teens. Family meals foster warmth, security and love, as well as feelings of belonging. It can be a unifying experience for all.

8 WAYS PARENTS CAN PROMOTE READING AT HOME

Marilyn Lopes

Extension Specialist, Family Life Education

Cape Cod Cooperative Extension

University of Massachusetts

1. Read yourself. Your actions really do speak louder than your words. When your kids see you reading the newspaper or curling up with a book, they will want to follow your example.

Cross Country

The cross country season is off to a great start! The Brichta boys and girls are awesome. Each child on the team runs their heart out; it is amazing to see them running so hard.

At our first meet at Reid Park the boys' team came in third out of 16 schools. The girls' team also came in third out of 16 schools.

The boys and girls are all working hard at improving their times by running after school, at home, at lunch time, at PE, at practice, and whenever else they get a chance to run. We are all so proud of them!

We would like to thank the wonderful families that are doing so much to support their young athletes! We and they couldn't do it without you! Thank you, thank you, and thank you!
