

***Don't be left out!!!!!!***

Our **School Directory** will be coming out soon. What is really great about it? The directory enables parents to contact the other Fruchthendler families to arrange: Play dates, Birthday Parties or even to find out homework assignments if the dog eats their homework!!! 😊

There is even a section that lists Babysitters who are available!!!

Our School Directory is such a vital resource to parents & teachers throughout the year that we really try to include **EVERY** Fruchthendler family. As a member of the PTA you will receive a copy, but even if you are not a PTA member, we want to include your family in it!!! (There is NO Cost to be listed in it).

Please take the time to complete the Directory Worksheet, (If you joined the PTA, we have your information and you do not need to complete this, unless you are signing someone up as a babysitter).

THANK YOU!!! 😊
