BADGER BRICKS

Be a part of the history and tradition of Tucson High!

Help us create a lasting legacy to benefit the students and school for years to come. A BADGER BRICK, inscribed with your name and personal message, will be an enduring expression of your support. Order your own brick or join with family and friends to honor someone special.

What a wonderful gift, tribute or memorial!

Each engraved brick will be installed at the entrance to our new

Tucson High Hall of Champions

The Hall will be a gathering place for students and the entire community.

Contributions to this fund are tax deductible. Bricks are just \$150 each.
