Parents/ Guardians,

At Tucson High Magnet School we value punctuality. In order to address tardiness to the opening of school, we will be implementing a Saturday school program.

Effective immediately, students with five, eight or 11 unexcused tardies at the beginning of the school day will be required to attend Saturday school from 8 am to noon. Students who are assigned to Saturday school must arrive on time and remain for the entire session.

In addition to Saturday school, students and their parents or guardians will be required to meet with Learning Support Coordinator, Andres Burrola.

The current tardy policy continues to apply to other periods of the day. For these periods, students will receive consequences, which may range from lunch detention to in school suspension.

Respectfully,

Carlos Armendariz
Assistant Principal
