## Whose Child Is This?

“Whose child is this?” I asked one day  
Seeing a little one out at play  
“Mine,” said the parent with a tender smile  
“Mine to keep for a little while  
To bathe his hands and comb his hair  
To tell him what he is to wear  
To prepare him that he may always be good  
And each day do the things he should”

“Whose child is this?” I asked again  
As the door opened and someone came in  
“Mine,” said the teacher with the same tender smile  
“Mine to keep just for a little while  
To teach him how to be gentle and kind  
To train and direct his dear little mind  
To help him live by every rule  
And get the best he can from school”

“Whose child is this?” I asked once more  
Just as the little one entered the door  
“Ours,” said the parent and the teacher as they smiled  
And each took the hand of the little child  
“Ours to love and train together  
Ours this blessed task forever”

## FORT LOWELL/TOWNSEND K-8

*welcome home...*

Happy New Year!  
Don't forget to buy your  
Townsend Tiger Spirit Yearbook  
On sale in the office \$20

So many things have changed at school...from construction of new rooms, to installation of new play equipment, to inclusion of K-5 students and their families, to shifting our focus from away from middle school years only and toward kindergarten through eighth grade education. We have expanded our "family" and you can see that reflected as a theme across campus.

In the middle school section, we have several new faces as well familiar ones in different roles. In most classrooms, you will see a Global Vision Statement posted on the door. This statement tells you exactly where the teacher will focus and what he or she believes about the upcoming year. You have probably heard that in the middle school our focus is International School. All sixth graders are taking Spanish this year and all eighth graders are enrolled in Korean. There are many other exciting things to look forward to related to our global focus.

In the elementary, the focus is OMA Gold. This means that K-5 students are acquiring key academic skills and improving their achievement levels through the instruction of the arts. Music, visual, theater, and dance experiences are incorporated across all the grade levels K-5. You will see many student performances as well as presentations from local artists.

*WELCOME to Ft. Lowell/Townsend K-8...and to your family.*
