## Going Global

### The Perfect Gift

Research by: Eric VanDame

Have you ever found it hard to think of the perfect gift for someone who has everything? George Newman recently found himself in exactly this predicament.

#### BTW—Who is George Newman?

George Newman is a tutor who has volunteered at Ft. Lowell for the last 9 years. George currently volunteers once a week to help students individually in Ms. Himes' class.

George is originally from Vienna, Austria where he was born in 1936. George worked for many years as a reporter in California until he retired and moved to Tucson in 1989. George became a literacy volunteer and soon realized that he worked better with children. That's what brought him to Ft. Lowell.

One of George's many hobbies is hiking. George met his close friend Kiko D'Angelo many years ago while out on a hike in California. Kiko and George became close. They both were members of the Sierra Hiking Club in California in the 1970's. Together they hiked a lot, and even hiked Mt. Tamaulipas in Marin County together. Kiko still lives in California and they still remain close friends. Though they live far away, they have occasional visits and frequently communicate via phone and email.

#### So what about the gift?

As Kiko's birthday approached George came up with a unique solution to honoring his friend for her birthday. George donated a generous amount of school supplies to Ms. Himes' 4th grade class in Kiko's honor. Our school is so honored by George's commitment to our children and we are proud to have him as part of our staff. Thank you George and thank you Kiko for your amazing generosity.

1st Round of Silent Library will be on Tuesday in Room 13.

## Band and Orchestra Notes

The 2010-2011 season is off to a great start! Mrs. Hall and Mrs. Leebardt can see talent and a love for the arts in all of their students! The most critical component right now in these middle schoolers' music education is PRACTICING! Practicing at home is necessary in order to improve one's musicianship. Please remember to spend 15-30 minutes every day on your instrument. Persistence will pay off and what was once difficult will become easy. Talk to Mrs. Hall or Mrs. Leebardt if you have any questions about what to practice or how, we are here to help.

## Where in the World is Barbara Kohl?

Barbara Kohl will be visiting several cities in South Korea from September 25th to October 9th as a continuing part of our International Student Exchange Program. While aboard Ms. Kohl will be visiting students from last year's exchange and meeting this year's students. She will have an opportunity to visit Seoul International School. Ms. Kohl will also be traveling around the entire perimeter of South Korea on a tour for five days.

Watch Tiger Time news for video updates of her visit to South Korea.

## Fulfill Your Own Promise

~ Barack Obama in his address to students 2010

Barack Obama Spoke directly to all of America's students on September 14th. His message was about how: "Hard work can make a difference for all you. Excelling, whether it's in school or life, isn't mainly about being smarter than everybody else... It's about working harder than everybody else."

Ft. Lowell / Townsend students were able to watch the President's Address to the Students thanks to our new installation of Channel 1 Cable network.

## FOURTH GRADE STUDENTS HELP NAME HORSES

by Alyssa Anderson

On Monday, our teacher told us that we were going to name a rescue pony at Good Shepherd Ranch in Tucson. Next, we voted on which name we should give the brown spotted pony. One of the names was Lucky, which was the name that had the most votes. So, the pony's new name is Lucky. On Thursday, our teacher, Mrs. Himes, told us that the owner of the ranch, Francine, named another rescue horse from the names we chose earlier this week. The new gelding's name is Sparky. If you would like to see the horses we have named, then you can go to [www.atagoodshepherd.com](http://www.atagoodshepherd.com). We hope the horses can find fantastic loving homes!

## Drama Club!

By Kayenat Bakhshi and Kimberly Guinac

Ms. Tenace has established a drama club here at Townsend. Mrs. Wilmore and Ms. Tenace are working together to run the drama club. Drama club is all about students having a place to exhibit their talents. Anyone who likes drama is welcome to join it. There are about 40 to 50 students already in drama club right now. Students will be doing short plays, monologues, and international tributes. Students are expected to perform a holiday play in December. The drama club gives kids an opportunity to gain self esteem, responsibility, self initiative, and build self confidence. Drama club is an after school activity and will be held every Thursday.

Mrs. Wilmore enjoys working with the drama club because students are excited to act, sing and make props. She also enjoys the fact that students want to get on stage and show their talents. Mrs. Wilmore has never taught drama but has many years of experience in set design.

Congratulations to the club officers: President is Baca and Rilee Rascon, VP - Leslie Martines, Treasurer - Sam Davidson and Secretary - Anne Mahar.

Watch next week's newsletter for an interview with Ms. Tenace.
