

Dear Parent of an Incoming Freshman,

Your son/daughter will be given an opportunity to have a Penguin mentor throughout his/her freshman year. He/she was given a questionnaire today to find out if he or she would like to participate in the Penguin to Penguin program. If you both agree he/she should have a mentor, we ask that you understand you will be giving permission for the mentor to contact your son/daughter as needed.

Once the “penguins” have been paired off, we will give the mentor your information to contact you first. Once they contact you, you can decide what is best for your child as far as appropriate meeting times. Because we are limited with our mentors, we cannot change the mentor for whatever reason, unless you have contacted a particular UHS student and you worked out something with them. We have tried to pair them off as best as possible based on their similar interests and characteristics.

Our mentors will understand that once they have their “little penguin” they will contact you and arrange any meetings needed for tutoring or simply for social matters. By signing this form, you are giving permission to our mentor to get a copy of your child’s schedule and meet with me to discuss his or her grades. I assure you that our mentors will be very professional in the handling of this information and will only be used to support or help your child have a successful freshman year at UHS!

We will have more information coming your way soon about our program; however with the limited time we have in BOOST, we’d like to at least get started with finding out if you and your child are interested in participating in this program. If you would like more information, please don’t hesitate to contact me at 232-5907 or email me at carmen.hernandez@tusd1.org . Thank you!

PERMISSION FOR PENGUIN TO PENGUIN PROGRAM
